

RATHNAM PAVITHRA SHARMA

+91 -7386265703 | pavithrasharma456@gmail.com | LinkedIn | GitHub

TECHNICAL SKILLS

- **Programming Languages:** Java, JavaScript (ES6+)
- **Frameworks & Libraries:** Node.js, Express.js, React.js, Redux, RESTful APIs
- **Databases & Tools:** SQL, MongoDB, Git, GitHub, VS Code
- **Additional Interests:** AI Integration, Open – source contributions

EDUCATION

B. Tech in Computer Science Engineering (AI)	CGPA: 9.38
Gates Institute of Technology, under the affiliation of JNTUA, Anantapur	Jun 2022 - Jul 2026
Intermediate (M.P.C)	Percentage: 88.2%
Narayana Junior College, Anantapur	Jun 2020 - Mar 2022

PROJECTS

Wanderlust – Full Stack MERN Airbnb Clone

(Live: Wanderlust Application)

- Developed a full-stack web application with secure authentication, responsive UI, and dynamic property listings, enabling smooth booking and review management.
- Implemented **MVC architecture** and optimized CRUD operations with Cloudinary image storage, reducing page load time by **30%** and enhancing data management efficiency.
- Analysed user behaviour and integrated session-based feedback to improve listing visibility and usability, resulting in **100% functional authentication and smooth interactions**.

Technologies: Node.js, Express.js, MongoDB, Mongoose, HTML5, CSS3, Bootstrap, Cloudinary, Render, Git, GitHub

Climenova – React Weather Widget

(Live Demo: Climenova Weather Widget)

- Developed a modular React component-based weather widget with REST API integration, delivering real-time forecasts with **fast dynamic updates**.
- Optimized state management and rendering to reduce API response latency by **40%**, ensuring smooth cross-device performance.
- Improved mobile-first UI and accessibility using Material UI, enhancing user engagement and maintainability by **60%** across multiple city forecasts.

Technologies: React.js, JavaScript (ES6+), Material UI, CSS3, REST API Integration, Vercel Deployment

CERTIFICATIONS

- **IBM SkillsBuild – Web Fundamentals** (IBM, 2025) Verified Badge
- **NPTEL Silver Elite Certificate** (IIT Kharagpur – NPTEL, 2025)
- **Java Virtual Internship Certificate** (CodeBegun, 2024)
